

MELT-DOWN Elite

Melt-down is an amazing paint which delivers the most convincing metallic gold, silver, copper or bronze finish to all types of art and craft work.

S0786030	Silver Stream 250ml bottle
S0786000	Surfer Bronze 250ml bottle
S0786010	Egyptian Gold 250ml bottle
S0786020	Copper Kettle 250ml bottle

- Very smooth lay down of colour.
- Waterbased.
- Dries to a beautiful metallic lustre.
- Abrasion resistant.

IDEAS/HINTS & TIPS

Ideal for creating a life-like look to stage props. Mix with Fabric Medium for use on all kinds of textiles.

Use simply on paper or card or for more advanced crafters, try on dried flowers or plastic masks.

Clothing and work surfaces should be protected.
