

DRAWING INK Ink

Fast drying, water based and transparent, our drawing inks can be used with a brush or a dip pen.

Can also be used with an air brush if cleaned straight away.

ADDITIONAL INFO

- Permanent water based inks.
- Intense colours which are fully inter-mixable and waterproof.
- Can be diluted for wash effects.
- Black (Indian) ink is lightfast and waterproof, all other colours are not light-fast, so illustrations should not be hung in strong lights.
- Wheat and Gluten free.

DRAWING INKS		Colour chart ref
DI500	Standard single colours 500ml	21, 24, 28, 29, 36, 38, 40, 43

IDEAS/HINTS & TIPS

If new to using this medium, start with heavy grade, rough textured watercolour paper as it is easier to lift ink off when mistakes are made.

Use a reed pen for frequent, short strokes or a round tip nib for wide smooth lines.
