

## CHUBBIE CHALK MARKERS AND CHALK

### Chalk

- Liquid chalk for use on glass or perspex.
- Cover large areas quickly.
- Dries to a dust and is easily removed.
- Wipe with a damp cloth.
- Shake well before use.
- Non Spill.

<b>CCM75/8/AAC</b>	8 x Assorted chalk markers
--------------------	----------------------------

- Bright and vivid coloured chalks.
- Perfect shape for small hands.
- Great lay down of colour on light and dark paper as well as blackboards.
- Try using them wet for even greater depth of colours.

<b>AS29</b>	40 x Assorted coloured chalks, 8 colours
<b>AS25</b>	40 x White chalks
<b>AS160</b>	160 x Assorted coloured chalks

### IDEAS/HINTS & TIPS

Clothing and work surfaces should be protected.
