

CHUBBI EGGS Crayons

Chubbi eggs are a unique formula crayon exclusive to Scolaquip. They are perfect for small hands to grip and ideal for developing fine motor skills. Using a little pressure will produce great results. Also, they won't melt in the hand like some traditional wax crayons! Colourful bright, long lasting chunky crayons. Perfect for 'first marks'.

IDEAS/HINTS & TIPS

Why not colour a large poster? With Chubbi Eggs, you can cover large areas easily and quickly. Good for strong bold lines.

Also, ideal for drawing around large objects on big sheets of paper, making textured rubbings and general mark making.

Easily packed away in a box.
