

IMAGE TRANSFER MEDIUM Fabric and Textiles

Allows you to quickly and easily transfer printed or photocopied images and text from paper to fabric.

ITM500	500ml Image Transfer Medium
---------------	-----------------------------

Simply coat the paper with transfer medium, press the paper on to the fabric and leave it to dry. Once dry remove the paper, leaving the image on the fabric.

Full instructions on the bottle.

Safe for children.

IDEAS/HINTS & TIPS

Clothing and work surfaces should be protected.
