- Superior quality, ready to use convenient water based liquid poster paint giving a rich colour and with a texture that makes it pleasant to use.
- The paint offers a high degree of control and dries to an opaque finish.
- It can be diluted with water or mixed with Marven Medium for thicker impasto work.
- Ideal for painting large areas of colour with a high degree of control and opacity.

IDEAS/HINTS & TIPS

Can be mixed with Marven Medium for added gloss or texture and with Fabric Medium for stunning results on most fabrics.

Clothing and work surfaces should be protected, paints can stain.

May wash out of fabric with cool water. Pre-soak dried stains overnight in cool water with small amount of detergent. Work gently by hand until the stain is removed. Stains may not come out if machine washed without pre-soaking.
